Northside Presbyterian Church Continuing Education Scholarship for Christian Education/Ministerial Studies

Northside Presbyterian Church can award one or more scholarships annually, each for a maximum of \$1000, for continuing education in Christian Education or ministerial studies. Priority for the award(s) will be given to members of Northside Presbyterian Church and those with financial need from other churches in Peaks Presbytery. There is a rolling application process, with money available on a calendar basis.

The scholarship money can be used for a wide variety of expenses including tuition, board and room fees, books and associated educational materials, and travel expenses for people enrolled in formal coursework, workshops or conferences designed to provide continuing education in Christian Education or Ministerial Studies. Applicants are required to submit a completed application form, with a copy of the acceptance letter or registration for the course/workshop/conference, and may be asked to make a brief presentation of the request to the scholarship review panel. The scholarship review panel will be composed of two members of the Mission Committee, a member from the Christian Education Committee, and a member from the Memorials Board.

Notification of the award of the scholarship will be made within two months of the receipt of the completed application form. The award(s) will be made at an event scheduled at the church, and each recipient will be asked to make a brief report of the educational activity at the conclusion of the grant period. Recipients of the scholarship cannot apply again within a period of two years.
