

Inclement Weather Cancellation Policy: In case of sudden inclement weather that requires the cancellation of Sunday morning or other scheduled services and activities, the members of the Finance and Facilities Committee will make a decision by 8:00 am. Cancellation notices will be sent to WDBJ-7 and WSLS-10 television stations, and WVTF-FM radio. When possible, a congregation email will be sent and the church voice mail will be changed. If you are interested in making phone calls to spread the word, please contact the pastor. Making these decisions is sometimes "iffy," so keep checking your email and for the television announcements. The TV stations also have a link where closings and delays are listed.
